

## TRAVELING FELLOWSHIP

Tips For A Great Application

### Goals for the Fellowship

In describing your goals for the traveling fellowship, please address what you specifically hope to learn and gain from this experience.

### Ideal Structure for the Fellowship

In describing your ideal structure for the fellowship, please address the following sub-questions:

How many burn centers would you want to visit?

How long would you like to stay at each center?

Do you have specific centers in mind that you would like to visit or would you like the ABA's assistance in being matched up with appropriate centers?

### Improving Quality Care

In describing how you plan to implement what you learn during your fellowship, please specifically address how you will improve quality care of patients at your own burn center and any ideas you may have for future endeavors.

### Budget

Figures for the proposed budget should be estimates for airfare, lodging, ground transport, meals, and any other foreseeable expenses. Please include detailed notes on how you came to those figures and where there might be any possible variances.
