

American Burn Association
2018 Call for Data Submission Announcement
Collecting data through June 30, 2018

OPEN DATE: 10/26/18
DEADLINE CLOSE DATE: Friday, 12/14/18

The American Burn Association (ABA) is formally announcing its Call for Data Submission for the National Burn Repository (NBR). Data are used to create a comprehensive Annual Report and the National Burn Repository Research Dataset. These products are valuable resources to burn care professionals and are only possible with your participation.

Verified burn centers are **required** to participate in the NBR, either through the ABA's Burn Registry or by providing the minimum acceptable record information in a computer-exported format compatible with the ABA's NBR.

Remember to use your center's Facility ID number to submit the data.

Date Range: Burn care cases treated at your burn facility with admission dates through **June 30, 2018**. Use your burn center facility ID number. **Submit burn v6 data files to nbr@ameriburn.org and contact BData to submit the xls/xlm data files.**
