Conference Overview and Intended Audience

The West Penn Burn Center of The Western Pennsylvania Hospital is pleased to host the 2019 Eastern Great Lakes Burn Care Conference. Building on the long-standing tradition of this important educational meeting, this year's conference — now in its 47th year will focus on the collegial exchange of current research being done in the field. This ex-change of information and promotion of education will enable the entire burn care team to provide a higher standard of care and ultimately lead to improved outcomes for our burn patients.

This conference is intended for physicians, physician assistants, nurse practitioners and registered nurses, dietitians and pharmacists, physical and occupational therapists, social workers and emergency medical technicians who are interested in burn care with an emphasis on complex clinical issues.

Accreditation

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical education (ACCME) through the joint providership of Allegheny General Hospital and West Penn Hospital. The Allegheny General Hospital is accredited by the ACCME to provide continuing medical education for physicians.
