More than 73% of burn injuries occur in the home! Learn how to keep your family safe as you balance work and play within the home.

### Safety in the Home for Children

- **Talk to your children in an age-appropriate manner about the dangers of fire play.**
- **Set a good example by using lighters in a safe manner and keep them out of reach when not using.**
- **Store accelerants such as gasoline and propane outside of the home and locked up.**
- **Do not leave children unattended around open flames such as candles and BBQ grills.**
