

CLAIMING YOUR CE

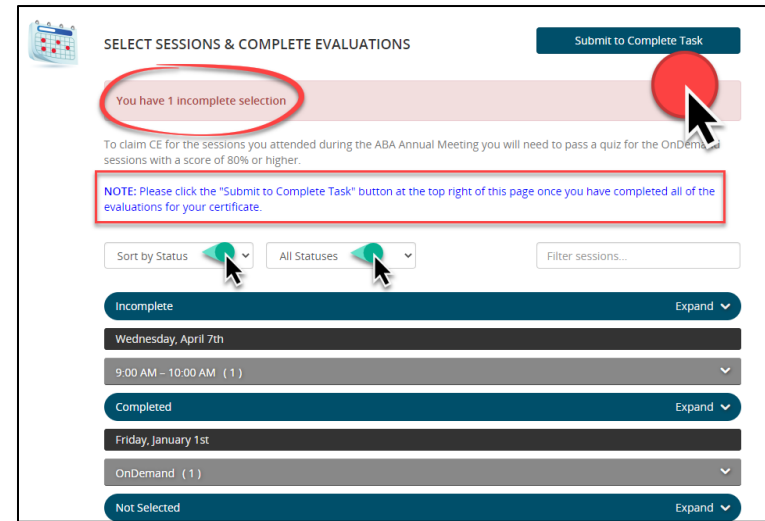

1. You can access the Quizzes and Evaluations site from the **APP** or **Annual Meeting home page** under **both CONTINUING EDUCATION** and **CLAIM CE** or [click HERE](#). Use the same login information you used for the website/app.

2. **Complete all Tasks assigned for your specific discipline.** If you DID NOT specify your discipline at the time of registration, contact the [ABA Central office](#) to have your account updated.

3. After completing **SESSION EVALUATIONS** *and* **QUIZZES (if assigned)**, click **SUBMIT TO COMPLETE the TASK**. If you have any evaluations or quizzes that you started but did not finish, the task will not complete. **TIP: You can find Incomplete quizzes and/or evaluations by sorting by status.**

4. Complete the **OVERALL MEETING Evaluation**.
5. Once all tasks are completed, click on the **Download/Print Certificate of Completion – [Your Discipline]** for a certificate that includes all CE hours that you claimed.
NOTE: If you chose to complete additional hours AFTER you download the certificate, those hours will be added, and you can download another certificate even though there is a green check mark. Make sure you click to submit the evaluation and quiz tasks again to have the hours added.

The ABA does NOT keep copies of your transcripts or certificates for the annual meeting. It is solely your responsibility to maintain accurate records of your learning and professional development hours. Once the evaluation website closes at 11:59PM Central, October 7, 2022, it will not be reopened for anyone who has not completed tasks to earn CE credit.
