HOUSING

Which hotel should I book?

Hotel booking information is included in your registration confirmation email.

The ABA Annual Meeting will be held at the Gaylord Texan Resort & Convention Center, 1501 Gaylord Trail, Grapevine, TX, US.

Guest rooms are priced at \$269 for single/double occupancy plus applicable taxes and includes the daily resort fee. Each additional person in the room is \$20.00 plus taxes. Rooms at this rate are subject to availability and will be reserved on a first-come, first-served basis until April 17, 2023, or until sold out. Please note: The ABA has negotiated special room rates for our meeting; these special room rates are only available to ABA attendees. In exchange for the negotiated room rates, ABA has certain minimum contractual obligations with each hotel. Therefore, it is important that we fill room blocks we have contracted for, so there are not financial liabilities to the Association. The ABA passes along these savings to attendees and exhibitors.

How do I book my hotel stay?

Hotel booking information is included in your registration confirmation email.

Where is the hotel booking link?

Hotel booking information is included in your registration confirmation email. If you need to receive the confirmation email again, you can contact registration@ameriburn.org

SESSIONS AND SCHEDULE

What Continuing Education credits will be available?

The American Burn Association is accredited with commendation by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. This activity will be accredited for CME.

The American Burn Association is accredited as a provider of Nursing Continuing Professional Development by the American Nurses Credentialing Center's Commission on Accreditation. This activity is accredited for nursing contact hours.

The American Burn Association is approved by the American Occupational Therapy Association to provide Continuing Education credits for Occupational Therapy Professional Development activities. This meeting will be approved for CE credits.

The American Burn Association will be submitting accreditation requests for approval to award contact hours for: dietitians, physical therapists, social workers and psychologists.

What are the different session types?

Plenary Sessions

The Plenary Sessions provide opportunities for all attendees to learn about topics of interest to the multi-disciplinary team of burn care professionals.

Educational Forums

Concurrently running sessions that provide more in-depth education on specific topics. These may have target audiences or be multi-disciplinary in focus. Any attendees with interest in the topic are welcome to attend.

Correlatives

The Correlative Sessions showcase new, cutting-edge research on clinical management, basic science, and other burn care issues through multiple short presentations by investigators of accepted abstracts. These presentations are followed by a question-and-answer period allowing for an exchange of ideas and additional learning. Abstracts are grouped by topic with sessions running concurrently.

Symposia

The Symposia are small group interactive sessions to allow peer learning. Moderators are instructed to come prepared to introduce at least four problems areas and to facilitate discussion around solutions. Participants should come prepared to participate with their own burn unit practice successes, failures, and questions.

Symposia are limited to 50 attendees and are seated on a first-come, first-served basis, so get there early if you want to attend. Light breakfast and coffee are included with Symposia.

Will my guest earn any CEUs?

Guests are not eligible to earn CEUs for the 55th Annual Meeting.
